Chairman's Corner—Dean Hill

We had a good turn-out for the Chapter elections meeting. We were able to get sufficient nominations for all the positions and all

individuals were duly elected! These

volunteers will assume their duties in January, at the first meeting of the year. The Board Members (Chair, Vice-Chair, Treasurer, and Secretary) will be sworn in at the December meeting, so please be sure to make it to that event!

Ron Sathre, CPP and ARVP for Region II is currently working on the Board Member training event, which I believe is being held at Thunder Valley in December. I can tell you from personal experience that it is well

Chapter 164 Member Profiles

Your fellow ASIS members would like to know more about you. Please tell us a little about yourself for inclusion in the monthly newsletter. We would like a photo or two - such as a professional bust shot and a more relaxed "action" shot of a personal or professional interest. Educational and certification history, Past and current professional experiences, Brief synopses of your personal life and interests.

It should be a half page to a page and a half, kind of a short bio about what makes you different and interesting both personally and professionally, but also showcasing any special talents you or your business may have that you want to share with other members.

This is your turn to showcase yourself. We look forward to hearing from you!

Chairman's Corner—Dean Hill

worth the time and resources spent to attend this training. Attendees are provided with a wealth of information about the resources available to them as they assume their new duties, and the sessions have the added benefit of affording them the opportunity to meet many of their counterparts from the other Chapters in Region II. The instructors are top-notch too!

For a bit of clarification; the Timothy J. Walsh Award is only given to a single recipient, twice a year, for the entire Association, not per chapter. The Chapters select their candidate from the interested applicants, and then submit their candidate to National for consideration. The candidate chosen as the Chapter's applicant is James (Jes) Stewart, and I know we all wish him luck in being chosen for the award!

I am looking forward to seeing all of you at next month's meeting on Wednesday, November

3rd for our annual Law Enforcement Appreciation awards ceremony! Please note that we will begin about ½ hour earlier for this meeting, at 11:00 AM, so that lunch will be served promptly at 11:30 AM, and we can conclude by approximately 1:30 PM! I'd like to remind everyone that this is our primary fund raising event for the year.

As such, we need to drive attendance as high as possible. If you haven't attended many meetings this year, this is the one you should set your sights on to insure you don't miss it. I'd also encourage everyone to plan on bringing at least one guest, and be sure to RSVP so we can provide ample seating and lunches for all attendees! I'll be sending out an email invitation to remind everyone, so please respond as quickly as possible.

As previously mentioned, we are honoring recipients from a total of 10 different agencies,

which is the most we've ever attempted! It is extremely important to us all to have a great showing in appreciation and support of the men and women who dedicate their lives to serving their communities, with all the hardships that entails. We hope to make this year's event the best ever!

As always, thank you for your continued support, and I look forward to seeing you at the next meeting!

Dean

Scholarship – Chapter matching deadline is Nov 15, 2010/Student Writing deadline Dec 3, 2010 & the Chapter's winner for the Timothy Walsh program was James Stewart. His application will be submitted to National for consideration. Only one award is given at this time, so we wish James luck!

Law Enforcement Liaison –

Dean announced 10 agencies will participate for the Law Enforcement luncheon on 11/3/10. Letters have already gone out and thus far we have received confirmation of several of the recipients. Dean also announced that we are about halfway to our goal of 10 donations of \$250 each for the Gift Certificates for the recipients. He reminded everyone that our practice is to provide the honoree from each agency with a very nice plaque and a Gift Certificate to NV Uniforms for \$250, and this practice has been well-received by the agencies being honored. NV Uniforms donates one of the certificates, and the chapter members and/or their employers supply the rest.

Dean reminded everyone that this is also our primary fund raiser for the year, and encouraged everyone to attend and to bring a guest!
