NORTHERN NEVADA
ASIS INTERNATIONAL
CHAPTER #164

Remember, today is the tomorrow you worried about yesterday. - Dale Carnegie

Chairman's Corner

As I sat and watched the snow fall Friday morning, I realized that another year passed and it seems like I was just elected Chapter Chair. The year was challenging on my many fronts especially high the unemployment rate in Northern Nevada, but we still had our victories. The first one that comes to mind is that our Past Chairperson, Darrell Clifton published his first book. The latest accomplishment in our chapter occurred just in the past

few weeks when Mike Pacini received his CPP certificate. This reflects on his determination and drive to excel in the security field. We have other members who are pursuing their higher education, John Puccioni and Brian Markowski and I want to recognize them for their dedication and contribution to our local chapter.

I want to take this opportunity to thank my board who helped

CHAPTER MEETINGS

Held the first Wednesday each month at the Atlantis Hotel Resort. starting at 11:30 am and includes lunch. Cost is \$20. Guests are encouraged

The next meeting will be : **December 5th. Law Enforcement Appreciation**

VA Reimbursement Benefit for CPPs®, PSPs® and PCIs®

The Department of Veterans Affairs (VA) approved the CPP®, PSP® and PCI® exam for reimbursement through the G.I. Bill education benefits up to a maximum of \$2,000 per test can be recompensed in exam costs, but not to exceed the actual cost of the test. Benefits can still be received to retake a test that was previously failed. Electronic applications available online at www.gibill.va.gov OR call 1-888-442-4551 to request VA Form 22-1990.

Recertification

The security industry is in a constant state of evolution. To protect the integrity and advance the professionalism of the CPP®, PCI®, and PSP® designations, the Professional Certification Board (PCB) mandates that all holders of ASIS certifications pursue professional development and continuing education in order to maintain proficiency and credibility. Recertification requirements established

me through this past year as they assisted me in so many ways; John Puccioni who stepped in while I was absent for several months, Jennifer Andress Belk, our secretary and newsletter editor who diligently and professionally put out our newsletter on schedule. Bob Nichols, our treasurer who tracked our finances and made sure our bills were current on all our bills. In addition I want to thank Dean Hill for putting together another very successful Law Enforcement Appreciation Dinner last November and for planning the one for next month, which I know will be another great tribute to our brothers in Law Enforcement.

We held our annual elections at the November and here are the newly elected Chapter

There still are several vacant other appointed positions and I am sure the incoming chairperson will appreciate any and all members who will step up to

assist in making this a stronger chapter in 2013. My last request as chapter chairperson would be that we all make a concerted effort to the raise the attendance in 2013 and become more

involved in ASIS International.

I again thank you sincerely for the opportunity to have served as your chairperson and wish that 2013 will be a better and productive year for this Chapter.

REMEMBER next month is the Law Enforcement Appreciation Lunch as well as the officer installation ceremony.

Respectfully Submitted,

by the PCB involve obtaining a specified number of credits, in areas such as education, training, teaching, and volunteer leadership in security and business management associations. The PCB will review and revise activities approved for credit as appropriate.

Recertification activity reports must be submitted to the Certification Program Office every three years for holders of the CPP®, PCI® and PSP® designations. All certificants may submit credit reporting forms with accompanying documentation at any time during their terms, and are encouraged to do so on an annual basis.

Important Notice

Recertification activities submitted by certificants in their Lapse Term (2011) or due to recertify by December 31, 2012 will be processed as soon as possible. Please send your documentation right away. Submissions from individuals due for certification renewal at a later date (2013, 2014, and 2015) - will not be processed until January 2013.

This is due to the high volume of recertification form submissions that we are receiving for 2011 and 2012 recertification and the preparation process for our transition to a new database system that will be implemented next year. We appreciate your patience and cooperation.
